A Start in Business Life

Teach your sons and daughters that which they will practice when then become men and women."

All person interested in BUSINESS EDUTATION should examine into the merthe of the LVANSVILLE COMMERCIAL COLLEGE, focated on the orner of 3rd and Main Screets, Exagent, Int. This is not a college of a blabbled reputation, but has been in soccessful operation for twenty seven years, and to day is stands as the LEADING BUSINESS COLLECTED the united States. Everybody is invited to call ut the College and ex name the mark of instruction and the thorough and fractical Course of simly the students receive. It is the only College in the West that is conducted on the Activity Business plan. The pairwage of young met and ladies wishing to obtain an education in a short time at a small expense is respectfully solicited. Take to complete the entire course is from three to four months

THE TELEGRAPH INSTITUTE Is the most complete institution of the kind in the country; it is first class in all

s appointments; is fitted up in the most thorough manner; its instructions are practical; it has more instruments than any telegraph office in the West; its pupils receive the same practice as if in a regular telegraph office; its graduates are competent operators. We will send speciacus of plain and ornamental Pennaushin, Circulars Catalogues and Currency issued in our Banking Department, to my one sending the address of fiteen young then of his acquaintance. The atdress of each young tonn must be written plain, giving full name, post office county and state.

Address BANK & WRIGHT, Managing Principals.
